ABOUT ME

- Software development engineer with 1 year and 9 months of experience in the software development industry.
- Experienced in frontend web and backend development, mainly using Javascript frameworks(React) with backend experience with node.js, OOP, databases.
- Currently focused on becoming a better and complete full stack developer, learning AWS and keeping up to date with newer trends, technologies and coding best practices.
- Enjoy working in teams, meeting and working with people, sharing experiences and ideas.Constantly working on improving myself in every aspect of my programming journey.

WORK EXPERIENCE

FullStack Developer

Synergi [05/10/2023 – 01/04/2025]

City: Skopje | **Country:** North Macedonia

- Developed and maintained new features for an application used by twirling judges to evaluate athlete performances during competitions.
- Implemented real-time score transmission using WebSockets, enabling live updates as judges input scores.
- Worked on frontend (ReactJS) and backend (Node.js), ensuring seamless integration and responsive UI.
- Optimized database performance using AzureDB, reducing query execution time and enhancing efficiency.
- Designed and developed RESTful APIs to handle judge assignments, scoring data, and competition results.
- Collaborated with cross-functional teams to fix bugs, refactor code, and enhance UI/UX for a better user experience.
- Improved application scalability and performance by optimizing state management and API calls.

Intership

Synergi [01/07/2023 – 04/10/2023]

City: Skopje | **Country:** North Macedonia

- Gained hands-on experience with the Synergi Books project, actively contributing to team workflows and Agile development processes.
- Assisted in frontend development using React.js, implementing minor features and improving UI components.
- Integrated and customized CKEditor 5 for rich text editing, enhancing content management capabilities.
- Provided support in Figma, assisting with UI/UX design improvements and ensuring design consistency in the application.
- Explored backend development with Node.js, working on API integrations and database interactions.
- Collaborated with senior developers to debug issues, optimize code, and improve overall application performance.
- Learned best practices for version control (Git), participating in code reviews and contributing to a collaborative development environment

EDUCATION AND TRAINING

AWS Certified Cloud Practitioner

Amazon Web Services (AWS) [01/07/2024 – 01/07/2027]

BS

University of Ss.Cyril and Methodius Faculty of Computer Science and Engineering [01/10/2020 – Current]

City: Skopje | **Country:** North Macedonia

High School

S.O.U "Goce Delcev" Valandovo [01/09/2017 – 10/06/2020]

City: Valandovo | **Country:** North Macedonia

LANGUAGE SKILLS

Mother tongue(s): Macedonian

Other language(s):

English	Serbian
LISTENING B2 **READING** B2 **WRITING** B2	**LISTENING** C2 **READING** C2 **WRITING** C2
SPOKEN PRODUCTION B2 **SPOKEN INTERACTION** B2	**SPOKEN PRODUCTION** C2 **SPOKEN INTERACTION** C2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

DIGITAL SKILLS

Programming Languages

Node.Js, React.Js / JavaScript / SQL / CSS3 / TypeScript / HTML5 / Java (SpringBoot) / Python (basics)

Development Tools

Git & Githubs / VsCode / JetBrains Intellij Idea / WebStorm

Collaboration Tools:

Trello / Jira

Cloud Services and Platforms

AWS

Microsoft Office tools

Microsoft Office (Outlook, Excel, Word, PowerPoint)

COMMUNICATION AND INTERPERSONAL SKILLS

Strong Communication, Team Collaboration, Adaptability
I am a highly communicative individual with a strong ability to collaborate with people from diverse backgrounds. I thrive in team environments and enjoy working with others to achieve common goals. My interpersonal skills allow me to connect easily with colleagues, stakeholders, and clients, fostering an open and positive working atmosphere. I am proactive in offering support, providing clear communication, and adapting my approach to meet the needs of different team members. I enjoy taking on new challenges and believe in the power of teamwork to drive success.

HOBBIES AND INTERESTS

Sports & Fitness
Sports enthusiast, especially basketball and fitness. I engage in daily workouts to maintain physical fitness and participate in amateur basketball competitions.
